Europe for Citizens Programme  
of the European Union

# Conclusion and presentation of the survey stage

8 June 2021

*Frédéric Spagnoli*  
*Université de Franche-Comté*

## The training stage (1)

- 15 sessions, starting April 15th
- General overview « The mosaïc of migration(s) »: yesterday and today, universities and associations, different situations
- 3 main stages
  - History of migration(s)
  - Citizenship(s) and migrants in European societies
  - Telling migrations stories

## The training stage (2)

- To know more about migrations
- To know each other and to know what the other is doing>>new networks, new projects?
- Base for questionnaires and the following events (local and project-wide)
- Youtube/website if everybody is ok>authorization
- Attendance files!!

## The survey stage (1)

- Until August 2021
- For the citizens but also « with » the citizens
- 50% migrants, 50% citizens, circa 200 ie 20/per partner, but the more the merrier
- First discussion/analysis: Summer university 24-27 August in Besançon
- Questionnaires and interviews>>data collection and discussion
- $\frac{3}{4}$  common,  $\frac{1}{4}$  local

## The survey stage (2)

- Final elaboration of the questionnaires this week with the scientific committee
- Questionnaires in all the languages of the partners>help for translation
- Practical details (payment/ funding convention/deadlines)
- Practical details committees
- Individual contacts this week
- Methodology>>Giovanna Rech (University of Verona)
